

Commercial management

It's the financial success that matters

Our experienced sales staff does everything to ensure that you, as an operator, get good returns from a good wind and solar energy yield. Excellent organisation, transparency and cost optimisation are a matter of course in all the processes for us.

Our employees come with excellent experience from the banking and accounting sector and comprehensively cover all the areas of commercial management.

Our services at a glance:

- Contract management & controlling
- Monitoring the efficiency
- Optimising the liquidity and payment transactions
- Supporting investors
- Insurance concepts
- Transparent and comprehensive information system
- Direct selling of the electricity that is generated
- Posting the business transactions/preparing the annual financial statements
